IF YOU'RE A LEADER: EXPERIENCED OR DEVELOPING

Then 24-7 Springboard is for you. We've wanted to create a space for those involved in leadership around the world - to be built up and encouraged, to think, to listen and to grow, to pray and be prayed for....

INTRODUCING 24-7 SPRINGBOARD... JUNE 1-27

24-7 SPRINGBOARD is going to take 2 forms. **This June**, will be a leaders track - open to anyone in a leadership role within the movement. We'll be based at the amazing Wick Court Centre, near Bristol in the UK. Wick Court is based around an Elizabethan Manor House (see right) and will be an amazing place for us to be based.

Then next January, one of our UK Boiler Rooms will be hosting a specialist Community Track for SPRINGBOARD - looking to help those aiming to move into or those fresh into community life.

SPRINGBOARD is about giving you teaching, tools and resources to help you grow in your faith and in your work within the movement. During your month you will:

- **RESPOND:** You'll hear and participate in teaching sessions and have the chance to spend time with leaders from other countries, share stories and make new friends.
- **RETREAT:** You'll have space to pray, to retreat and to share in a corporate rhythm of life, making use of the space and beautiful countryside around.
- **REACT:** You'll have the opportunity to get involved in a local community and to get practical.
- **REFLECT:** You'll have the space to talk with others about the future and to receive guidance and mentoring, You will also receive support, resources and help after you have returned home.
- **RELAX:** They'll be plenty of time for fun !

Some detail, information and how to book

What will Springboard look like ?

A typical day will have the following elements:

- Food: eating together will be a key part of our time.
- Morning and evening prayer
- Teaching, around three themes of loving God, loving each other and loving the world
- Group discussion and interaction.

Learning together will be a big focus of our time.

- Practical work: gardening, tending the animals, building or serving.
- Space for prayer and retreat.
- Fun together

During the June course you'll also have the opportunity to visit 24-7 hubs around the UK, light fires, go for long walks, be creative, watch films and to share life with each other and with the wider 24-7 family.

Week placement

After three weeks at Wick Court, you'll be spending your final week based at a location around the UK. This placement, done with others, will be about getting involved with a 24-7 week or rhythm of prayer, finding out about that local community and getting involved. We'll tell you more nearer the time.

Our hosts for the month.

I'm very pleased to announce that our host leaders for the course are Nathan and Marisa Chud from the Kansas City Boiler Room. Nathan and Marisa are part of the leadership team of the Boiler Room and have been involved in the Transit course hosted in the city. Nathan and Marisa are two very dear friends, two wonderful and gifted leaders and I am very very excited that they will be with us.
